

SHARPS DISPOSAL

DO YOU USE:

- SYRINGES
- NEEDLES
- LANCETS/FINGER PRICKERS??

It is ILLEGAL to dispose of ANY of the above items in your domestic rubbish.

To do so could result in prosecution (Environmental Protection Act 1990).

These items must now be placed in a sharps box (a sturdy purpose built container) and collected by the council clinical waste services.

To apply for this service please contact:

Principle Engineer – Customer Services
Bedford Borough Council
Bedford
Tel: 0800 121 8888

Local councils have the right to charge for this service although in most areas they do not.
