

### **Douglas Rider - Dentist**

Doug was born in South Africa and obtained his dental degree from Wits University, graduating in 1979. He ran his own successful private practice for 15 years prior to moving to the UK in 1996. He has lived in Bedford since 2002.

Doug has had the privilege of working for two of the trusted corporate giants in the dental world, Boots Dentalcare and BUPA.

Doug is a member of the BACD (British Academy of Cosmetic Dentistry) and also the BSOS (British Society of Occlusal Studies).

Doug is married to Kiloran and they have 2 children Candy, who is married and living in Bedford, and Paul who lives & works in London.

### **Marilyn Kuttner - Hygienist**

Marilyn was born in Canada and moved to England after meeting her husband Alan who was there doing a post-graduate degree in Civil Engineering.

Marilyn worked as a dental nurse at a specialist practice in London before doing her dental hygienist course at Guys Hospital, graduating in 1981.

After qualifying, she worked in a general dental practice in Hitchin, for the BCF and also for the Health Authority in Luton. She has worked in general practice in the Bedford area since 1990.

Marilyn and Alan live in Turvey and have two grown-up sons David and James.

### **Adam Slade - Specialist D.S(Lond) L.D.S R.C.S.Eng.M.F.G.D.P(UK)Clin.Dent.Prosth) Prosthodontist / Implantologist**

Adam qualified from Guys Hospital, London in 1986. Following positions in Maxillofacial departments he entered General Practice and in 1989 set up a private practice focusing on restorative and cosmetic dentistry and he has been involved with both the surgical and restorative aspects of implants since then.

Throughout his career he has placed a strong emphasis on postgraduate studies, teaching and mentoring dental teams.

He provides all aspects of Cosmetic, Implant and Prosthodontic treatments from diagnosis and treatment planning to advanced bone grafts and reconstruction of complex full arch cases.

### **The Practice Support Team look forward to welcoming and caring for you:**

### **HOW WE CAN HELP YOU.....**

**DENTISTRY** - we do all forms of general dentistry in a patient focused, relaxed and unrushed environment. If you have neglected your teeth up to now, we will not judge you but, will help you re-establish your oral health.

**GREAT SMILE / STRAIGHT TEETH** - If you would like to improve your smile we can discuss with you the numerous alternatives dentistry has to offer and help you through the pros and cons of the various options. Book a complimentary consultation today to see what would be suitable for you. Got a significant event taking place in your life in the future? Plan your smile improvement for the big day now.

**IMPLANTS** - are the best way to replace missing teeth and tighten loose dentures. We are fortunate to have a visiting specialist and post-graduate tutor, Adam Slade, who places implants for our patients.

**PAIN** - Face, head and neck pain. Did you know that the muscles of the jaws can cause a variety of different pains in the face, head, neck and back regions? We have helped a number of people who have suffered various chronic and debilitating pains, including migraine, headaches, earache, eye pain and neck ache. So if you, or someone you know, has been suffering from any of these ailments or if you wake up in the morning with a headache - then contact us for a complimentary consultation and we will let you know if there is possibly a dental cause to these problems.

**SLEEP DISORDERED BREATHING** - Besides being a nuisance, some types of snoring can cause medical problems. We can help.

## How we care for you

We strive to deliver quality of care in an environment that is happy, peaceful and patient focussed.

We empower our patients by involving them in their treatment by education and by the offering of all relevant treatment options.

Our aim is always to help you maintain your oral and dental health to a standard that allows you to get on with your life comfortably and with confidence.

We aim to be good at what we do and to continually improve our service to patients. We are committed to regularly attending continuing education courses, and ensuring that we keep up-to-date with modern techniques. We exceed the legal requirements for Continuing Professional Development.

We will be polite and compassionate when treating you. We will be truthful and honest in our dealings with you, because we want you to be able to trust us to look after you.
